

I am writing with regards to the new broadcast service known as Low Power FM. I feel that this will threaten my ability to listen to an established radio station, K-LOVE, which serves my local community. I feel that the service provided by K-LOVE is in the public interest. It is listener supported and a way for Christians to enjoy good music. Pulling K-LOVE would be killing an avenue of the enjoyment for many as well as pulling a CLEAN message to all listening.
